Tuckahoe Public Library

Renovations are about to begin so the library staff is super busy packing up and preparing for services to be delivered in the Community Center. I encourage everyone to bookmark the library website and check opening and closing times so you are not disappointed. The big shifts on Monday and Thursday as the library will be closed until 130pm. The library will also be closed from Wednesday, November 15 through Friday, December 2nd. Yep, write it down. While we don't anticipate an extended period of closure and modified services in the Community Services, everyone has a renovation experience that didn't go according to plan - so I'm knocking on wood and asking Tuckahoe to be patient. We will have a great party when it's done to celebrate our new and improved library!

Tuckahoe Community Center

Tomorrow is Election Day - The Community Center will be hosting voters from 6am to 9pm. If you are eligible to vote, it is a right, a privilege, and a responsibility to cast your ballot in support of democracy.
