April 2010 Issue 4 (914) 337-8487 4 Union Place Tuckahoe, NY 10707

Dear Friends,

Happy Springtime, Happy Easter and hopefully, goodbye snow and ice. Please remember that we will be closed in observance of Holy Thursday, April 1st.

Tuckahoe is beautiful every spring and summer through the efforts of the Beautification Committee. Raffles are sold to raise the funds for the flowering baskets. We will have the tickets for sale here at our center, so members can support this community effort.

We have a treat in store for us visiting the current exhibit, *The Inventions of Leonardo da Vinci* at the Italian Cultural Center on Tuesday, April 13th. We will meet at One Generoso Pope Place at 11:00 a.m. One of the mechanical devices on display is a model of *Parachute and Flying Machine*, conceived of and designed by da Vinci before 1519. We'll enjoy a DVD about Leonardo da Vinci as well as a tour of the exhibit. A lunch buffet will be available across the square at the classic Indian restaurant, *Spice Village*. Register to enjoy the exhibit or both the exhibit and *Spice Village*.

Nine of our members are joining the Eastchester Seniors on a trip to the new Italian Museum on Mulberry Street and to lunch at Lamela Restaurant on Thursday, April 15th. Joining together on some programs and trips is one way to expand our program offerings and to ensure that our trips are full -- a particular concern in this economy.

On the same day, we are invited to the Annual Concert and Senior Luncheon at the Cottle School. The bus will pick us up at 10 a.m., there is no charge, but registration is required.

HAPPY BIRTHDAY TO US!!! Join us on Thursday, April 22nd at The Olde Stone Mill Restaurant right here in Tuckahoe to celebrate the 40th Anniversary of the Tuckahoe Senior Citizens. We'll have a strolling violinist, lunch and a Birthday cake, all for \$25.00, including tip.

Seniors living in the Livable Communities of Eastchester and the villages of Tuckahoe and Bronxville are fortunate to have many services available to them. As is so often true, many of us have no idea that some of them exist. On Friday, April 23rd, "SENIOR INFORMATION DAY" will be held on the terrace at Lake Isle from noon until 3 p.m. Our library, police department and other services will be there. Lunch is available at the Eastchester Senior Citizens. Reservations must be made by calling 337-0390. The lunch fee is \$3.00 for residents.

Happy spring,
Barbara Stires
