TUCKAHOE NEEDS YOU!
VOLUNTEER APPLICATION

We need your help. We would like more Tuckahoe residents to be involved in local government activities. There are many committees in Tuckahoe which need people to serve on them. Some of these committees have vacancies now, or will in the near future. There are also a number of other areas of local government activities that could use volunteers.

We know there are many talented people in Tuckahoe who have good ideas and energy. If you wish to volunteer on any of our boards, please fill out Section A of this form and return it as soon as possible to the Village Hall.

If you would like to make any suggestions to the Village Board, please complete Section B of this form and return it to the Village Hall. Any suggestions will be gratefully received and carefully considered.
