**Item #2 90 Yonkers Avenue New Sign**

Mr. Michael Santoliquido, of San Signs & Awnings, representing “Tuck’d Away Bar & Grill” presented a new sign and a new awning. The existing frame will be recovered with the new awning and the frame will be painted to match the awning color. The color of the awning is crimson red, fire resistant sunbrella and the lettering will be white. The letter size for “Tuck’d Away” is 10 inches. “BAR & GRILL” will be in a white ban with red letters. The letter size for “BAR” is the “B” is 7 inches and the “AR” is 6 inches. The letter size for “GRILL” is the “G” is 7 inches and the “RILL” is 6 inches. Because the sidewalk slopes down, Mr. Santoliquido does not recommend an arm sign, therefore in lieu of an arm sign, Mr. Santoliquido proposed a second sign to be placed at the corner of the property above the window. This sign will be made of MDO material measuring 48 X 18 inches . It will have a red background with “Tuck’d Away Bar & Grill” in white 6 inch vinyl lettering.

Discussion took place regarding the design of the awning. Some suggestions were to change the font type, stretch the lettering to cover more of the white ban and possibly make the letters bolder.

**Applicant was asked to return next month with several different options for the new awning.**

**Applicant agreed to return next month**
