Item #3 Bistro Latino New Awning

Mr. John Cappabianca of San Signs, representing, “Bistro Latino” proposed a new awning. The awning is Sunbrella Fire Resistant fabric and measures 24 feet by 4 feet in a true brown color. The letter color will be a rustic Tuscan with 16 inch letters. The right side of awning will have an oval with the address number. Mr. Cappabianca inquired about the regulations of displaying anything on the window.

Chairwoman Ciaramella said only 1/3 of the window can be used. Discussion regarding the size of the letters took place as well as the actual color of the letters. Chairwoman Ciaramella suggested the letters be 10 inches. The members also agreed to the 10 inch letters. As for the color of the letters, Mr. Cappabianca asked if the board members would like to take a walk across the street (which is where Bistro Latino is located) and see the color of the letters which is in the window. A five minute recess took place so that the members can view the color of the letters. Chairwoman Ciaramella requested Mr. Cappabianca to submit a new rendering of the awning with 10 inch letters and also an actual sample and the PMS number of the color used for the letters.

Member Nieminen made a motion to approve the awning for “Latino Bistro” with a stipulation that the letters will be 10 inches and that he will submit a new rendering of the awning along with a sample and the PMS number of the color to match the sign he showed them in the window across the street.
