Re: Miscellaneous Tax Certiorari Matters

Dear David:

I would be pleased to continue to act as Special Counsel to the Village and provide legal services relating to tax certiorari litigation for the 2016-2017 fiscal year. My fee schedule will remain where it has been since 2009 at \$195 per hour plus non-routine out-of-pocket expenses such as copying of lengthy appraisal reports. I will bill monthly with an itemized statement detailing the services provided and the time expended.

I appreciate the opportunity to be of service and look forward to continuing to work with you and your staff, the Mayor and the Board of Trustees in the coming year.

Very truly yours,

John F. Burkhardt
