

MEMO

TO: William Williams, Building Inspector

CC: David Burke, Village Administrator
Frank DiMarco, DPW General Foreman
Gary Gjertsen, Village Attorney
Frank Fish, BFJ Planning

FROM: Anthony Oliveri PE
Vice President

DATE: February 14, 2022

SUBJECT: Iona College Athletic Field Renovations
200 White Plains Road
Village of Tuckahoe

With regard to the above-mentioned project, this office has reviewed the following plans and submittals:

- Plans entitled: "Site Plan", prepared by Langan. last dated 1/21/22
- Stormwater Pollution Prevention Plan, prepared by Langan. dated 1/21/22

Our comments are as follows:

1. This office has reviewed the submitted SWPPP and Site Plan , the design is essentially identical to the design submitted in 2018 and extensively reviewed by this office, including the connection to the storm drain in Rose Avenue. It is also noted that this design does not include reductions due to infiltration in the sizing of the stormwater system, making the design more conservative. Therefore we take no exception to the current design.

Thank you
